📄 PROFILE

My interest and expertise are in UI/UX/development / programming. I am very fast learner and love to learn new technologies in the field. Seeking to find a role where I can pursue my career and passion.

📁 PROJECTS

Online Auction System

09/2022 – 06/2023

This project facilitates the people who make their auctions physical. It saves the lot of time and resources of the people because they will not move to any other place for auctions
